(6) All appeals against an academic Assessment must be submitted online using the [Appeal Against an Academic Assessment Form](#).

(7) The University will acknowledge lodgement of an appeal within three (3) working days of receipt.

(11) Where it is not possible to respond to the Student within ten (10) working days, an explanation should be provided within this period.

(14) The Manager International Compliance, must be notified at all levels of an appeal involving a Student Visa Holder where one of the outcomes can be the suspension or termination of the Student's enrolment.

## **Appeals Related to Unit Assessment**

(15) Where a Student is concerned about the result achieved in an assessment task in a unit (except for embedded practical and/or professional work experience), they should consult with the Unit Coordinator in the first instance to be provided with any further information and/or to gain an understanding of the basis for the result. Students are encouraged to take the earliest opportunity to contact the Unit Coordinator.

(16) Where a Student considers there are genuine grounds for contesting the results of a unit assessment they can appeal to the Unit Coordinator. Genuine grounds do not include:

- a. disagreement with the approved unit objectives or assessment methodology or the standards applied to the allocation of grades;
- b. disparity with grades awarded in other units;
- c. disparity of grade with the effort and time expended on the Assessment Task; and
- d. general unspecified grievances.

- a. be submitted online using the [Appeal Against an Academic Assessment Form](#) within ten (10) working days of the release of the original marked assessment; and
- b. present a case demonstrating how the original marking was inconsistent with the requirements of the Unit Guide/Outline.

(18) If the Student's appeal results in a remark of an Assessment Task, the remarking is to be undertaken by an appropriately qualified marker who did not originally mark the Assessment Task.

(19) Only a single remark will be permitted, and the result of the remark will be recorded as the final mark for that assessment task, irrespective of the original mark.

(20) The Unit Coordinator will advise the Student of the outcome of the appeal in writing within ten (10) working days of receipt by the University of the appeal.

(21) Where a Student considers there are further grounds for appeal, they may appeal to the relevant Head of School. The appeal must:

In reaching the decision as to unit class performance, the Head of School may, at his/her own discretion, consult with disciplinary colleagues at the University or at other universities.

(23) As a result of the investigation, the Head of School may:

- a. uphold or dismiss the appeal, and must report their determination to the Student in writing within ten (10) working days of the University's receipt of the appeal; or
