Preamble

According to University of Newcastle 'Rules Concerning Pro Vice-Chancellors, Assistant Deans and Other Faculty Officers - Rule 000302' the title "Dean" is a courtesy title conferred by the Vice Chancellor. Its use is restricted to external academic, professional and other purposes approved by the Vice Chancellor. The title is not included in formal University academic organisational and administrative structures.

The University of New England 'Rule on Decanal Appointments', assigns to the role of Dean, overall administrative, leadership and management responsibilities for a faculty.

The 'Memorandum of Agreement between the University of Newcastle (UoN) and The University of New England (UNE) for the establishment and operation of the Joint Medical Program' ascribes a range of functions and duties to the role of the Dean of Medicine -JMP which stand outside the current provisions regarding the role of Dean at either university. Similarly, on the basis of the provisions of the MOA, the BMed -JMP Schedule/Rule assigns a range of responsibilities to the position of Dean of Medicine – JMP in relation to the delivery of "MED1" courses/units across the two Universities.

In order to give effect to the provisions of the MOA, which will enable the JMP to be offered consistently and equitably across the two Universities, a discrete Rule is required at both UoN and UNE for the position of "Dean of Medicine - JMP".

1. Appointment and Term of Office of the Dean of Medicine

- 1.1 According to the above Memorandum of Agreement, the inaugural Dean of Medicine for the Joint Medical Program shall be the Dean of Medicine of the University of Newcastle.
- 1.2 The Dean of Medicine-Joint Medical Program shall be appointed for a period of 5 years from 1 January 2008.

Oversight of JMP quality assurance is provided by the Academic Senate of the University of Newcastle and Academic Board of the University of New England;
 - d) through the JMP Committee, make recommendations to appropriate University (UoN and UNE) bodies concerning the criteria for admission to the JMP, including mechanisms such as Dean's list, bonus scores etc;
 - e) through the JMP Committee, advise the relevant PVCs on the resources required for the implementation of the JMP;
 - f) be an ex-officio member of any sub-committee of the JMP Committee and may choose to preside at any meeting of any such committee and the JPM Governance Committee; and
 - g) be a member of all Selection Committees for the appointment of academic staff to the JMP.
 - h) Work collaboratively and in consultation with the Heads of the Schools of Rural Medicine, UNE; Medicine and Public Health, UoN, and other Schools involved in the delivery of the JMP.

- 2.2 In relation to the establishment and operation of JMP Clinical Schools, the responsibilities of the Dean of Medicine – JMP and the Clinical Deans will be prescribed in a Supplementary Agreement to the MOA.
- 2.3 In relation to the delivery of “MEDI” Courses/Units across both Universities, the BMed – JMP Rules and Procedures which ascribe responsibilities to the Dean of Medicine – JMP, will be listed in the Schedule to these Rules (attached).

- 3.1 Endorsement of the BMed JMP rules and procedures as listed in the attached Schedule means a transfer of the authorities granted to such officers as Heads of School and Pro Vice Chancellors, in rules and procedures relating to the delivery of non-MEDI courses/units at UoN and UNE respectively.

4. Appointment and Term of Office of Deputy Deans - JMP

- 4.1 Following consultations with the Heads of School – Rural Medicine (UNE) and Medicine and Public Health (UoN), the Dean of Medicine – JMP may recommend to the JMP Governance Committee, two Deputy Dean appointments – one each at UoN and UNE.
